**12.03 Campaigning restricted.** (1) No election official may engage in electioneering on election day. No municipal clerk or employee of the clerk may engage in electioneering in the clerk's office or at the alternate site under s. 6.855 during the hours that ballots may be cast at those locations.

(2) (a) 1. No person may engage in electioneering during polling hours on election day at a polling place.

(2) The legislature finds that posting or distributing election-related material at the polling place, at locations where absentee ballots may be cast, or near the entrance to such locations when voting is taking place may mislead and confuse electors about their rights and responsibilities regarding the exercise of the franchise and tends to disrupt the flow of voting activities at such locations. The legislature finds that the restrictions imposed by this section on the posting or distribution of election-related material are necessary to protect the compelling governmental interest in orderly and fair elections.

(3) (a) No person may post or distribute any election-related material during polling hours on election day at a polling place.

2. In the case of a referendum, the period beginning on the day on which the question to be voted upon is submitted to the electorate and ending on the day on which the referendum is held.

(b) "Political message" means a message intended for a political purpose or a message which pertains to an issue of public policy of possible concern to the electorate, but does not include a message intended solely for a commercial purpose.

This paragraph does not apply to a sign which is affixed to a permanent structure and does not extend beyond the perimeter of the structure, if the sign does not obstruct a window, door, fire escape, ventilation shaft or other area which is required by an applicable building code to remain unobstructed.

(5) (a) The renter of residential property may exercise the same right as the owner to place a sign upon the property under sub. (2) in any area of the property occupied exclusively by the renter. The terms of a lease or other agreement under which residential property is occupied shall control in determining whether property is occupied exclusively by a renter.

(4) No person may, directly or indirectly, cause any person to make a contribution or provide any service or other thing of value to or for the benefit of a committee registered under ch. 11, with the purpose of influencing the election or nomination of a candidate to national, state or local office or the passage or defeat of a

referendum by means of the denial or the threat of denial of any employment, position, work or promotion, or any compensation or other benefit of such employment, position or work, or by means of discharge, demotion or disciplinary action or the threat to impose a discharge, demotion or disciplinary action. (3) **PROHIBITED ACTS.** No person may:

(a) Falsify any information in respect to or fraudulently deface or destroy a certificate of nomination, nomination paper, declaration of candidacy or petition for an election, including a recall petition or petition for a referendum; or file or receive for filing a certificate of nomination, nomination paper, declaration of candidacy or any such petition, knowing any part is falsely made.

(am) Fail to file an amended declaration of candidacy as provided in s. 8.21 with respect to a change in information filed in an original declaration within 3 days of the time the amended declaration becomes due for filing; or file a false declaration of candidacy or amended declaration of candidacy.  Chapter GAB 2 was renumbered Chapter EL 2 under s. 13.92 (4) (b) 1., Stats., Register June 2016 No. 726.

**EL 2.05 Treatment and sufficiency of nomination papers.**

- (1) Each candidate for public office has the responsibility to assure that his or her nomination papers are prepared, circulated, signed, and filed in compliance with statutory and other legal requirements.
- (2) In order to be timely filed, all nomination papers shall be in the physical possession of the filing officer by the statutory deadline. Each of the nomination papers shall be numbered, before they are filed, and the numbers shall be assigned sequentially, beginning with the number "1". Notwithstanding any other provision of this chapter, the absence of a page number will not invalidate the signatures on that page.
- (3) The filing officer shall review all nomination papers filed with it, up to the maximum number permitted, to determine the facial sufficiency of the papers filed. Where circumstances and the time for review permit, the filing officer may consult maps, directories and other extrinsic evidence to ascertain the correctness and sufficiency of information on a nomination paper.
- (4) Any information which appears on a nomination paper is entitled to a presumption of validity. Notwithstanding any other provision of this chapter, errors in information contained in a nomination paper, committed by either a signer or a circulator, may be corrected by an affidavit of the circulator, an affidavit of the candidate, or an affidavit of a person who signed the nomination paper. The person giving the correcting affidavit shall have personal knowledge of the correct information and the correcting affidavit shall be filed with the filing officer not later than three calendar days after the applicable statutory due date for the nomination papers.
- (5) Where any required item of information on a nomination paper is incomplete, the filing officer shall accept the information as complete if there has been substantial compliance with the law.
- (6) Nomination papers shall contain at least the minimum required number of signatures from the circuit, county, district or jurisdiction which the candidate seeks to represent.
- (7) The filing officer shall accept nomination papers which contain biographical data or campaign advertising. The disclaimer specified in s. 11.1303 (2), Stats., is not required on any nomination paper.
- (8) An elector shall sign his or her own name unless unable to do so because of physical disability. An elector unable to sign because of physical disability shall be present when another person signs on behalf of the disabled elector and shall specifically authorize the signing.
- (9) A person may not sign for his or her spouse, or for any other person, even when they have been given a power of attorney by that person, unless sub. (8) applies.
- (10) The signature of a married woman shall be counted when she uses her husband's first name instead of her own.
- (11) Only one signature per person for the same office is valid. Where an elector is entitled to vote for more than one candidate for the same office, a person may sign the nomination papers of as many candidates for the same office as the person is entitled to vote for at the election.
- (12) A complete address, including municipality of residence for voting purposes, and the street and number, if any, of the residence, (or a postal address if it is located in the jurisdiction that the candidate seeks to represent), shall be listed for each signature on a nomination paper.
- (13) A signature shall be counted when identical residential information or dates for different electors are indicated by ditto marks.
- (14) No signature on a nomination paper shall be counted unless the elector who circulated the nomination paper completes and signs the certificate of circulator and does so after, not before, the paper is circulated. No signature may be counted when the residency of the circulator cannot be determined by the information given on the nomination paper.
- (15) An individual signature on a nomination paper may not be counted when any of the following occur:
  - (a) The date of the signature is missing, unless the date can be determined by reference to the dates of other signatures on the paper.
  - (b) The signature is dated after the date of certification contained in the certificate of circulator.
  - (c) The address of the signer is missing or incomplete, unless residency can be determined by the information provided on the nomination paper.
  - (d) The signature is that of an individual who is not 18 years of age at the time the paper is signed. An individual who will not be 18 years of age until the subject election is not eligible to sign a nomination paper for that election.
  - (e) The signature is that of an individual who has been adjudicated not to be a qualified elector on the grounds of incompetency or limited competency as provided in s. 6.03 (3), Stats., or is that of an individual who was not, for any other reason, a qualified elector at the time of signing the nomination paper.
- (16) After a nomination paper has been filed, no signature may be added or removed. After a nomination paper has been signed, but before it has been filed, a signature may be removed by the circulator. The death of a signer after a nomination paper has been signed does not invalidate the signature.
- (17) This section is promulgated pursuant to the direction of s. 8.07, Stats., and is to be used by election officials in determining the validity of all nomination papers and the signatures on those papers.

**EL 2.07 Challenges to nomination papers.**

- (1) The elections commission shall review any verified complaint concerning the sufficiency of nomination papers of a candidate for state office that is filed with the elections commission under ss. 5.05 and 5.06, Stats.; and the local filing officer shall review any verified complaint concerning the sufficiency

of nomination papers of a candidate for local office that is filed with the local filing officer under s. 8.07, Stats. The filing officer shall apply the standards in s. EL 2.05 to determine the sufficiency of nomination papers, including consulting extrinsic sources of evidence under s. EL 2.05 (3).

(2)

- (a) Any challenge to the sufficiency of a nomination paper shall be made by verified complaint, filed with the appropriate filing officer. The complainant shall file both an original and a copy of the challenge at the time of filing the complaint. Notwithstanding any other provision of this chapter, the failure of the complainant to provide the filing officer with a copy of the challenge complaint will not invalidate the challenge complaint. The filing officer shall make arrangements to have a copy of the challenge delivered to the challenged candidate within 24 hours of the filing of the challenge complaint. The filing officer may impose a fee for the cost of photocopying the challenge and for the cost of delivery of the challenge to the respondent. The form of the complaint and its filing shall comply with the requirements of ch. EL 20. Any challenge to the sufficiency of a nomination paper shall be filed within 3 calendar days after the filing deadline for the challenged nomination papers. The challenge shall be established by affidavit, or other supporting evidence, demonstrating a failure to comply with statutory or other legal requirements.
- (b) The response to a challenge to nomination papers shall be filed, by the candidate challenged, within 3 calendar days of the filing of the challenge and shall be verified. After the deadline for filing a response to a challenge, but not later than the date for certifying candidates to the ballot, the elections commission or the local filing officer shall decide the challenge with or without a hearing.

(3)

- (a) The burden is on the challenger to establish any insufficiency. If the challenger establishes that the information on the nomination paper is insufficient, the burden is on the challenged candidate to establish its sufficiency. The invalidity or disqualification of one or more signatures on a nomination paper shall not affect the validity of any other signatures on that paper.
- (b) If a challenger establishes that an elector signed the nomination papers of a candidate more than once or signed the nomination papers of more than one candidate for the same office, the 2nd and subsequent signatures may not be counted. The burden of proving that the second and subsequent signatures are that of the same person and are invalid is on the challenger.
- (c) If a challenger establishes that the date of a signature, or the address of the signer, is not valid, the signature may not be counted.
- (d) Challengers are not limited to the categories set forth in pars. (a) and (b).
- (4) The filing officer shall examine any evidence offered by the parties when reviewing a complaint challenging the sufficiency of the nomination papers of a candidate for state or local office. The burden of proof applicable to establishing or rebutting a challenge is clear and convincing evidence.
- (5) Where it is alleged that the signer or circulator of a nomination paper does not reside in the district in which the candidate being nominated seeks office, the challenger may attempt to establish the geographical location of an address indicated on a nomination paper, by providing district maps, or by providing a statement from a postmaster or other public official.
