American Red Cross BABYSITTERS TRAINING WITH PEDIATRIC CPR AND FIRST AID

BLENDED LEARNING

Youth (Ages 11-13)

Week One: Learn about the job of a babysitter in this course including effective supervision of children and infants; choosing safe, age appropriate games and toys; and performing basic childcare skills such as diapering, feeding, and dressing. You will gain the confidence necessary to find and interview for a babysitting job and communicating effectively with parents.

Week Two: After completing the online course at home and bringing your completion confirmation to class (required to participate), you will practice and polish you CPR and First Aid skills. You'll learn to prevent emergencies by identifying safety hazards and how to provide care for common injuries such as burns, cuts, and bee stings should they occur.

After attending both class sessions, completing the online coursework and checking off all the required skills, participants will receive the American Red Cross Babysitters Training (no Expiration) and Pediatric CPR with First Aid (expires in 2 years) certifications. Class fee includes American Red Cross certification fee (\$31) and all class supplies with a binder for all class materials.
